

LLOYD'S OF LONDON

WORLDWIDE PROTECTION AGAINST RISKS WITH TRADITION

Since over 325 years already, Lloyd's stands as a synonym for the protection against risks of all kind. As one of the world's leading insurance markets, Lloyd's covers risks of all industries at attractive terms and prices; therefore, Lloyd's occupies the impressive fifth place regarding earnings from insurance rates in the global reinsurance business.

SECURITY THROUGH STRENGTH

The name "Lloyd's" stands for financial strength and gives policy holders the confidence that all legitimate claims are covered at all times. Top ratings from leading agencies speak for themselves and make Lloyd's one of the financially strongest insurers in the world.

EXCLUSIVE ACCESS TO ATTRACTIVE INSURANCE BENEFITS

PRICELESS ADVANTAGE THROUGH SPECIAL SOLUTIONS

An international focus enables Lloyd's to offer world leading risk coverages which are hardly available on local markets. Through this world leadership position, it is possible to secure all existential risks at attractive terms and prices, and to offer products which subsequently increase a company's competitiveness.

OPTIMAL CONSULTATION AND SUPPORT THROUGH LOCAL PARTNERS

As Austria's only accredited Lloyd's Broker, we offer this exclusive access to our partners without detours and additional costs. With the experience from over 20 years of consulting activities we also support our customers through an optimal combination commercial, technical and legal aspects in the development of the right cover structure. As your local contact, we offer extensive and competent advice on all topics – reaching from risk placement to claims handling.

OUR BUNDLED EXPERTISE IS UNIQUE IN AUSTRIA

Integral Insurance Broker GmbH was founded in Linz in 1995; since then, we have provided advice to companies from an array of different industries regarding individual insurance products. As a coverholder of Lloyd's of London, we have access to some of the most attractive insurance benefits in the world.
